

MediaWiki:Requestaccount-email-body

Someone, probably you from IP address \$1, has requested an account "\$2" with this e-mail address on EiWiki.

To confirm that this account really does belong to you on EiWiki, open this link in your browser:

\$3

If the account is created, only you will be e-mailed the password. If this is **not** you, don't follow the link. This confirmation code will expire at \$4.
