

This template will categorize articles into *Redirects for discussion*. This template is a self-reference and so is part of the Foresight Wiki project rather than the encyclopedic content.

Usage

To the top of a redirect page, add:

```
{{rfd}}
```

This template must be placed above the redirect; otherwise, the page will redirect as normal and users of the redirect will not be informed of the nomination.

Example

```
{{rfd}}
```

produces

The use and purpose of this redirect is currently being discussed by the Foresight Wiki community. The outcome of this discussion may result in a change of this page, and possibly its deletion in accordance with Foresight wiki's deletion policy.

Please do not substitute this template; it is needed for tracking purposes.
