

[\[edit\]](#) [\[purge\]](#)  Template documentation
This documentation transcluded from Template:Left2/doc([edit](#) | [history](#))
You can use this template when you want to left align text.

Usage

This template saves typing the following text (in a table):

```
style="text-align:left"|This is the text.
```

To use, type: {{left|This is the text.}}

See also

- {{[left](#)}} - same as this, but takes no arguments
